

Paul Levin

Vice President, Corporate Director of HS&E • Sundt

Paul Levin is currently the Vice President and Corporate Director of HS&E for Sundt Construction Inc. He has spent the last 34 years working in the construction field of environmental, health, safety, quality, and insurance. He is completing his 26th year with Sundt Construction, with the current responsibility of Corporate Director of HS&E. Throughout these 26 years, Sundt has earned nine National AGC safety awards, including the AGC Grand Award twice. Paul has also served numerous positions with the National Construction Safety Executives, including Chair from 2017-2019.

He believes in the never-ending pursuit of improvement and greatness in health and safety through the philosophy that "every conversation is a job interview." As a result, every day is a learning opportunity to help continue improving not only Sundt's safety performance but the construction industry's safety performance overall.

"Good is the enemy of great." -Jim Collins
